CME Accredited Web-Based Courses

CME Accredited Site-Based Course

WEB-BASED CME COURSES

Your team can learn remotely and still earn CME credits through our web-based programs.

- **One-Day Web Course (5 credits)**

Includes 5 hours of didactic review of TCD Cerebral Anatomy and TCD basic Techniques.

- **Two-Day Web Course (10 credits)**

Includes one-day web course plus 5 hours of didactic review of common TCD exams, diagnostic criteria and vasospasm case studies.

- **Three-Day Web Course (15 credits)**

Includes two-day web course as well as 5 hours of didactic review of pathology and waveform morphology and case reviews of all common TCD exams.

ONSITE CME COURSES

Help your team sharpen their skills with our Transcranial Doppler Lecture and Hands-on sessions provided at your facility. We offer CME-accredited course packages as well as customized programs to meet your organization's needs.

- **One-Day Course (5 credits)**

Includes 5 hours of didactic class with a review of technology, physics and anatomy as well as 3 hours of hands-on instruction.

- **Two-Day Course (10 credits)**

Includes one-day course program as well as 5 hours of didactic class covering disease processes and treatments for the intracranial vasculature and 3 hours of hands-on instruction.

- **Three-Day Course (15 credits)**

Includes full two-day program as well as 5 hours of didactic instruction on intracranial disease processes and interpretation criteria as well as 3 hours of hands-on instruction.
